## CoreMed and OneDeductible network information

### Network Discounts

You'll maximize your preferred provider organization (PPO) plan's benefits by using network providers, who offer negotiated discounts to Assurant Health and minimize your out-of-pocket expenses. Assurant Health understands that when you're faced with an emergency, you don't have time to ensure providers are in network before seeking care. Therefore, **in emergency situations, benefits are paid at the network benefit percentage regardless of where services are performed.** All benefits are subject to the maximum allowable amount.

### Out-of-Network Services

If you choose to use out-of-network providers for routine and non-emergency care, you will not receive Assurant Health's PPO discounts and you may incur additional charges. Covered services are subject to the maximum allowable amount provision, out-of-network deductible, out-of-network benefit percentage and out-of-network coinsurance out-of-pocket maximum. *The chart below outlines these costs, which may vary by state.*<sup>9</sup>

### Accident Coverage

Accidental injuries catch you off guard and throw you into worry, uncertainty, inconvenience and, sometimes, a lot of expense you hadn't exactly planned for. But the expense is less of a concern if your plan includes Accident Coverage from Assurant Health.

- Pays cash right to you — over and above any benefits you receive from any other plan
- Helps you replace lost income and pay the expenses other plans don't pay, like auto and medical deductibles
- Pays no matter what doctor or hospital you choose

Supplemental products are separate contracts available at an additional cost. Additional provisions may apply.

## Accident Coverage, cont.

- No overall annual or lifetime limits – no matter how many accidents you have
- Use your cash any way you need

*You get 24-hour coverage with a set cash benefit for each injury and service – multiple cash benefits that can really add up, like these:*

### Auto accident example

INJURY/SERVICE	BENEFIT
Ambulance to the hospital	\$ 200
Emergency room treatment	\$ 100
One-day hospital stay	\$ 1,300

*In this auto accident example, **\$3,390** is paid over and above the benefits paid by auto and medical coverage.*

## Critical Illness Coverage

The costs of fighting and surviving a critical illness could go far beyond what you can imagine – even beyond what other plans are meant to cover. That’s why Critical Illness Coverage pays cash right to you – to help you replace lost income and pay expenses other plans don’t pay:

Deductibles and coinsurance	Experimental treatment
Travel to the best hospitals	Added childcare
Doctors outside your network	Nursing care, housecleaning, lawn care

When you choose Critical Illness coverage, you reduce the potential financial impact of critical illness on your family and future. You get:

- Coverage for 15 critical illnesses such as cancer, heart attack and stroke
- Lump-sum cash benefits upon diagnosis or treatment – over and above any benefits you receive from any other plan, such as your CoreMed or OneDeductible major medical plan
- Options for your cash amount to fit your needs and budget: \$10,000, \$20,000 and \$30,000
- Term life benefits equal to half your selected critical illness cash amount
- Freedom to visit any doctor or hospital you want and use the cash any way you need

**Ann's story**  
*Ann was diagnosed with breast cancer only three years after she purchased Critical Illness Coverage. Two weeks after her diagnosis, she received \$20,000, which helped her pay a \$7,500 deductible and make it through months of not working.*

See the Critical Illness Coverage insert, Form 30246, for more information about benefits, limitations and exclusions. Customers who receive benefits from this critical illness plan may become ineligible for the tax benefits associated with a Health Savings Account (HSA). Please consult your tax advisor if you intend to purchase this plan and fund an HSA. Critical Illness Coverage not available in CA, DE, IL, MD, MN, OH, PA or VA. Supplemental products are separate contracts available at an additional cost. Additional provisions may apply.

- Symptoms were produced; or
- Diagnosis was possible

Benefits are not paid for charges incurred due to a pre-existing condition until you have been continuously insured under the plan for 12 months, unless the condition was fully disclosed on the application. After the 12-month period, benefits are paid for a pre-existing condition unless it is specifically excluded from coverage.

Enrollees under the age of 19 are not subject to the pre-existing condition limitation.
